I understand that this scholarship is for college studies (two years or four years) of not less than 8 credit hours per semester leading to a career in the graphic communications industry. I further agree that, if the scholarship is not used during the period of June 1, 2010 through June 1, 2011, said scholarship will revert back to the Michigan Printing Week Association. To the best of my knowledge, the information provided in this application is accurate.
